Making blankets for Turning Point's Treehouse Children's Advocacy Center.

Welcome.

Welcome to the Waxhaw Woman's Club, a service organization, made up of women concerned with the welfare of their town, and the people who live there. In 1911, the founders began the club with the goal of helping to make Waxhaw a better community in which to live through service, fellowship, and preservation of our historical heritage. More than 100 years later, these are still our goals. Although the needs of the community, and the methods used to meet those needs may have changed, the Waxhaw Woman's Club remains steadfast in its mission to serve.

Some of the ways we serve include participation in several events sponsored

by the Town of Waxhaw, and financial support for organizations such as Turning Point, Turning Point's Treehouse Children's Advocacy Center, and the Waxhaw branch of the Union County Public Library. Through our "Holiday Tour of Homes", an event held biennially, we are able to fund education scholarships at both the high school and university levels.

Members also meet socially for lunch or dinner each month, and have enjoyed day trips to local attractions. And, of course, we always feel privileged to welcome new members!

So, if you're looking to meet new people and support your community, come join us. Welcome.
